Junior Architect / Architectural Designer

| +58 4246252680 | fabianaisemprun@gmail.com | www.linkedin.com/in/fabianasemprun

Junior Architect with 5 years of international experience in architecture and urbanism across Venezuela, the USA, and Portugal, contributing to residential, mixed-use, and corporate projects from medium to large-scale. Additionally, I bring 3 years of specialized experience in the U.S. market, focused on small-scale projects and technical documentation. Skilled in Revit, Rhino, and Bluebeam; proficient in AutoCAD, SketchUp, Enscape, and Adobe Creative Suite, with a strong understanding of SC, DD, and CD phases. Familiarity with building codes, regulations, and construction methods. I seek to contribute to projects that transcend zoning limits connecting architecture to its context and reflecting the identity of place and its people. Known for being accountable, curious, and a collaborative team player.
